

RAXA ACADEMY

**CENTRE FOR HIGHER LEARNING
IN SECURITY AND SAFETY**

Training Today for Securing Tomorrow

RAXA Academy, a premier Security Training institution was established in 2007 to train security personnel. It is located near Hindupur on Bengaluru – Hyderabad National Highway (NH-44), about 80 km away from Bengaluru’s Kempegowda International Airport. Spread across 100 acres amidst sprawling meadows, the best-in-class training and administrative infrastructure has been designed aesthetically with modern amenities to cater to the needs of multitudes of trainees seeking an invigorating and rejuvenating training experience. RAXA Academy is now a “Centre for Higher Learning in Security” and several short duration fully residential thematic courses on security and safety are being conducted at the Academy on a regular basis for senior professionals in the field of Security and Safety.

RAXA Academy is an ISO 29993:2015 certified organization for conduct of Non Formal Education and Training Learning Services. It has been accorded recognition as a “Centre for Excellence” in 2019 by MEPSC (Management & Entrepreneurship and Professional Skills Council) under NSDC and Ministry of Skill Development and Entrepreneurship. It is part of the Raxa Security Services Ltd an ISO 45001:2018, ISO 18788:2015 and ISO 9001:2015 certified company. Raxa Security Services Ltd is a group company of the GMR Group which runs the Delhi and Hyderabad airports.

CENTER FOR HIGHER LEARNING IN SECURITY & SAFETY

The Academy, which was mostly conducting lower level security training, has transformed itself as a Center for Higher Learning in Security & Safety since 2017 and has been conducting several higher level courses in Security & Safety – both short term and long term. These courses include Advanced Security Management Course, Aviation Security, Cyber Security, Risk Management, Fraud Investigation, various levels of Fire and Safety Courses etc. Apart from the regular courses the Academy also conducts customized courses as per the specific requirements of clients.

AVIATION RELATED TRAINING CAPABILITY & OFFERINGS

Raxa has collaborated with the GMR Aviation Academy which imparts quality Aviation Training through highly skilled faculty members possessing diverse Aviation experience in Airports, Airlines, Air Traffic Control, Cargo Safety and Security, Corporate Aviation etc. The high quality programmes conducted by the Aviation Academy through its highly skilled faculty members and subject matter experts in their respective disciplines are unique and reinforced with On-the-Job Training (OJT) at the world's best rated, state-of-the-art Airports at Delhi and Hyderabad.

Aviation Academy conducts Aviation Security and Safety Training courses such as Basic AVSEC Course, Baggage Screening Course, Basic Fire Fighter Course etc. Raxa and Aviation Academy have been conducting some of these courses in Raxa campus. Commencing next year, it is planned to conduct Fire Officers, Crew Commander, HAZMAT Emergency Handling and BA Operation Courses.

There are plans to place an aircraft fuselage, fire training simulators and other high end infrastructure in Raxa campus for facilitating the above training. In addition to the above, RAXA plans to establish an ASTI on campus to facilitate Aviation Security Training.

Raxa has several officers drawn from CISF who have rich experience in Aviation Security.

CEO Raxa, besides being a senior IPS officer, is also a certified International Aviation Professional with rich experience in Airport Operations and Aviation Security
